## **DETAILED ACTION**

### ***Information Disclosure Statement***

1. The references listed in the Information Disclosure Statement submitted on October 8, 2004 have been considered by the examiner (see attached PTO-1449).

### ***Allowable Subject Matter***

2. Claims 1-11 are allowed.

3. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the prior art discloses a process of transmitting a sound from the mouthpiece/earpiece of a telephone for proximity detection of a telephone device and controlling the call operation based on proximity, however, the prior art of record failed to disclose or fairly suggest detecting bioacoustic characteristic information of an auditory organ and controlling call operation of the telephone device based on the detected bioacoustic characteristic information.

Regarding claim 6, the prior art discloses a device consisting of a sound transmission and reception part and a proximity detection part for connecting or disconnecting the telephony device based on the distance, however, the prior art of record failed to disclose or fairly suggest a bioacoustic characteristic information detection means for detecting bioacoustic characteristic information of the auditory organ of the operator of the call control device by the sound transmitted and received , wherein the call operation is controlled based on the bioacoustic characteristic information detected by the bioacoustic characteristic information detection means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
